Measure What Matters: Mastering OKR Training Course Overview:

Welcome to "Measure What Matters: Mastering OKR Training Course," a comprehensive program designed to equip you with the skills to implement Objectives and Key Results OKRs in your organization. Originating from the practices of industry giants like Google and Intel, OKRs have become a cornerstone of Performance Management. This course features OKR Case Studies like Google Chrome OKRs, Andy Grove OKRs, and the Intel OKRs Case Study. We also cover various sectors through topics like OKRs in Health Care and OKRs in Non-Profits. Discover how to align your Team Collaboration goals, how OKR Monitoring and OKR Transparency can significantly enhance your Business Alignment, and how Stretch Goals can redefine what is possible for your organization.

Target Audience:

- CEOs and Founders
