Transforming New Leaders: Comprehensive Leadership Training for Managers

Ref.: 36086_69044 **Date:** 16 - 20 Nov 2026 **Location:** Seoul **Fees:** 10000 **Euro**

Course Overview

This comprehensive leadership development program is meticulously designed to equip new leaders with the essentials of leadership. Through this training, we seek to transform promising individuals into effective managers by featuring a mix of new leader training, leadership skills training, and leadership coaching. The dynamics of leadership are explored through case studies and real-world scenarios, enabling participants to understand the critical importance of leadership skills in business. The course incorporates various methods of leadership into the curriculum to provide a broad perspective and understanding of leadership.

Target Audience

- Newly appointed managers
- Team leads
- Supervisors
- Professionals aspiring to move into management positions

Targeted Organizational Departments

- Human Resources
- Operations
- Sales
- Marketing

Targeted Industries

- Information Technology
- Manufacturing
- Healthcare
- Retail
- Financial Services

Course Offerings

- Understanding the dynamics of leadership
- Gaining leadership skills in business
- Learning various methods of leadership
- Improving communication and leadership skills

Training Methodology:

This leadership development programme employs a variety of engaging and effective training methodologies. We focus on interactive sessions which include case studies, group work, role-play, and reflective exercises. Real-world scenarios provide context to leadership concepts and methods of leadership. Our leadership coaching sessions foster individual leadership capabilities and promote the development of unique leadership qualities. Lastly, feedback sessions provide insights into personal strengths and areas for improvement, thereby fostering continuous leadership development.

Course Toolbox

How This Course is Different from Other Leadership Training Courses:

Our Leadership Training for New Managers stands apart from other leadership courses due to its comprehensive approach to leadership training and development. It's not just about theoretical knowledge; we emphasize practical application through our leadership skills training and executive leadership training courses. We believe in individual leadership and aim to nurture unique leadership qualities in each participant. We also offer a Certificate in Leadership and Management upon successful completion of the course, adding value to your professional portfolio.
